RE-VIEW
2026

We are comprised of many mission sending and training organizations, churches, and a host of individuals.

Together we agree to work collaboratively and collegially with each other, giving freely of our gifts and abilities (counselling, debriefing, nurturing, training, administering, etc.) as God has gifted us.

WORKERS & FAMILIES

WHO

RE-VIEW is specifically designed for cross-cultural workers (individuals, couples & families) in transition, including children 16 and younger. If you are retiring, repatriating, on Home Assignment and/or changing projects, this retreat is for you!

WHAT

A 5-day period to join with others who 'get it' and process transition through individual & group debriefing and thoughtful activities for all age groups. Experienced cross-cultural workers will help you debrief your missionary journey and gain perspective on what God is calling you to next.
