

Crossing Cultures is one step in a journey that can lead, with prayer and trust in God, to people from diverse ethnic backgrounds encountering the love of Jesus Christ. This practical experience amongst diverse communities in your area includes interactive training, meeting people from other cultures, and debriefing.

Format:

The Crossing Cultures encounter will take place over an evening and a full day. Cultural evening - 2 hours including a cultural meal and speaker from a local cultural group.

Next day - 7 hours including training, neighbourhood excursion including lunch, followed by debriefing and prayer together.

Content:

- The cultural evening launches the encounter, giving time for participants to get to know each other, as well as being introduced to a member of the local ethnic community.
- The interactive workshop sessions explore what the Bible says about diversity and God's love for all cultures. It also equips participants with practical tools on how to start conversations and ask the right questions in order to build cross-cultural relationships.
- The practical field exercise, out in the community, gives the opportunity to put learning into practice.
- Debriefing helps participants process what they have learned and experienced, and how they can apply it in their daily lives.
